DAY 1: FRIDAY 28 JULY

6pm   Registration and welcome

Leigh Kennedy - Regional Director, Gippsland, RDV

7pm   Hackerspace officially opens.

- Form teams and identify individual strengths.
- Choose a problem and start planning.

8:30pm   Close (participants can work on their challenge outside
official opening times).

DAY 2: SATURDAY 29 JULY

9am   Start

12pm   All competitors must register as a user on Hackerspace
by this time.

12:30pm   Lunch

5pm   A Team Project Page and your prize category nomination
must be completed in Hackerspace.

Record all your team members on your project page and
the URL to your evidence repository (proof of concept).

No new projects pages can be created after this time.

You are still able to edit your project page after this time.

DAY 3: SUNDAY 30 JULY

9am	Start
12:30pm	Lunch
3pm	Finalise your project page including the URL of datasets and how you have used the data.
4pm	Your video should be finalised and a URL linking to your video created to load on your Project page.
	It may take some time for your video to load once you have started the process but get the URL entered on your page.
5pm	You MUST have all parts of your competition entry submitted by 5pm local time. - A descriptive project page - Award categories nominated - Data used – URLs - Evidence Repository URL - Video URL - Demo URL (Optional)
5:15pm	Event wrap-up and thank-you
	Jenni Hardy – GovHack Host, Latrobe Valley Authority

GOT A QUESTION?

Ask one of our official helpers wearing a GovHack t-shirt.

Campus open hours are 9am to 5pm on Saturday and Sunday, however teams can continue to work on their projects remotely outside of these hours until 5pm on Sunday 30 July.

THANK-YOU FOR PARTICIPATING IN GOVHACK LATROBE VALLEY 2017!
